

The Pinehurst Profile

Pinehurst School students achieve outstanding examination results. We are one of the highest achieving schools in New Zealand. All of our students take the demanding, internationally-recognised Cambridge examinations.

When students leave school at the end of Year 13, they achieve very high grades. These are improving every year:

**A*/C Grades at A Level
over time**

**A*/A Grades at A Level over
time**

This means that 40% of our students in Year 13 achieve an A or an A*; and 75% achieve a C, B, A or A*.

All of our Year 13 students achieve at least a Pass in all of their subjects. In Years 6, 9, 11 and 12 our students also achieve outstanding results. At all year levels, 90% or more of students passed their examinations.

Cambridge Outstanding Achievement Awards

Every year, Pinehurst students achieve national and international awards. In 2019, Pinehurst students achieved the second-highest 'Top in the World' scores of any school in New Zealand, and the highest of any private school.

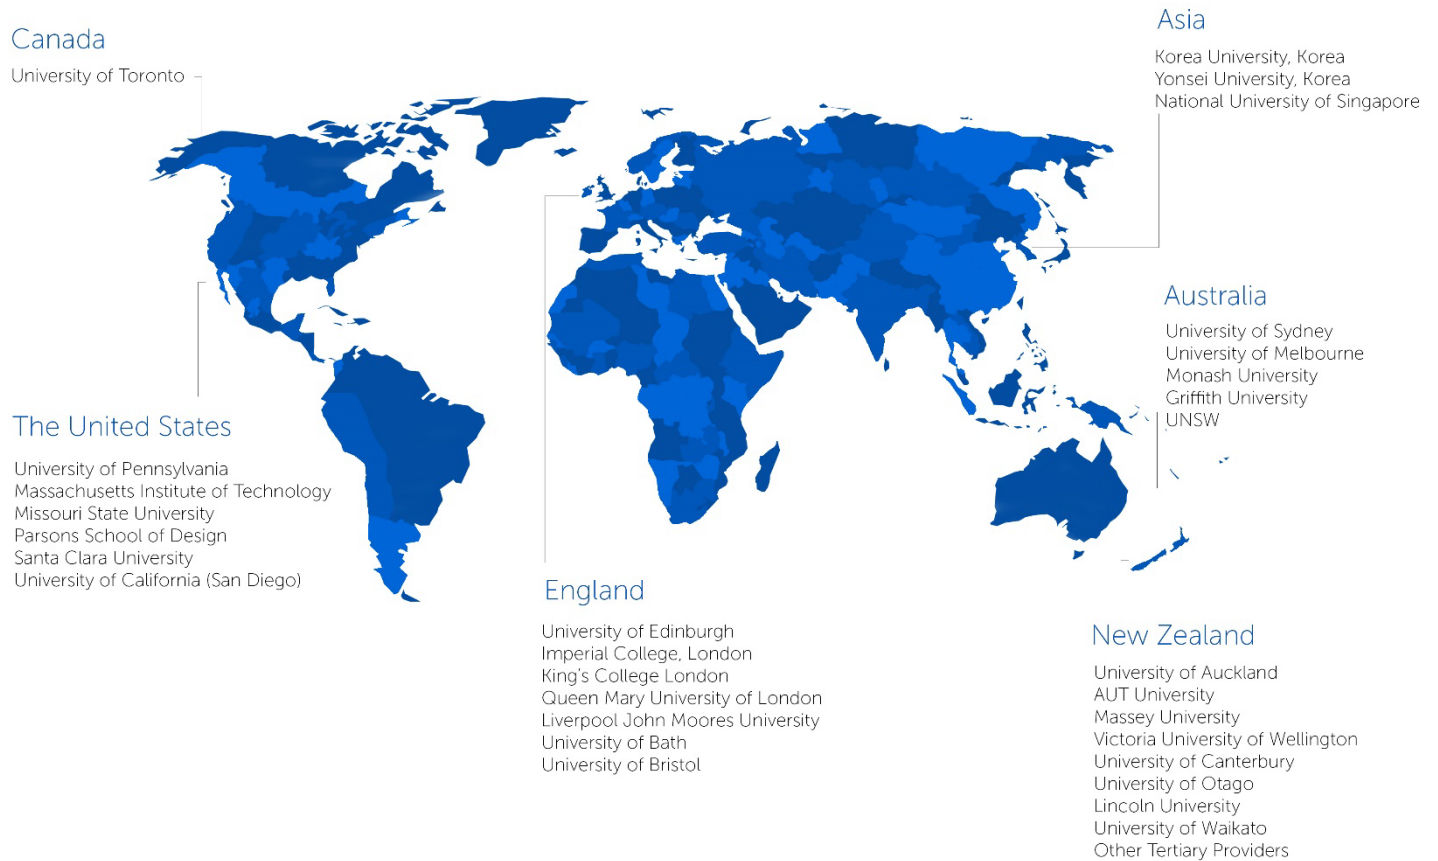

Qualification	Syllabus	Student Name	Cambridge Award	Series
Cambridge International AS Level	Design & Technology	Arden Callagher	Top in the World 1=	Nov 2019

Universities

About **90%** of our students go to universities all around the world:

Universities Attended by Pinehurst Graduates

Class of 2015-2019

At Pinehurst, the relationship between the student and the teacher is the most important thing. Because of this, we keep our class sizes small:

We have excellent teacher: student ratios. There are 11 students at Pinehurst for every teacher, which is one of the best ratios in New Zealand. In local State schools, the ratio is over 20:1.
