AIMS Games 2022

Saturday 3rd September 2022 - Friday 9th September 2022

Sport dates over this week vary – some sports are only run over 1-2 days, others run for a full week (5 days).

The AIMS Games Sporting Championships give Intermediate (Year 7 and Year 8) age students the opportunity to represent their school and compete as an individual or in a team against the best of their age in one of up to 23 different sports. Each of the sports offered in 2022 will be hosted in superb facilities in Tauranga.

The Pinehurst AIMS team has steadily grown over the past 7 years, and we usually take over 30% of our Year 7 & Year 8 students to this amazing event – it is a truly memorable experience, one students will remember for life!

Anchor AIMS Games History: since the first event in 2004, the tournament has grown from 760 competitors representing 17 schools and four sporting codes to the 2022 Anchor AIMS Games where we will embrace 11,000+ competitors representing 300+ schools, across 23 sports codes.

Further information regarding selection for the 2022 Pinehurst AIMS team will be sent in the latter part of Term 1. If in the meantime you wish to know more about AIMS Games, click here <https://nzaimsgames.co.nz/>
