

## Year 7-13 Orienteering Programme 2022

Dear Parents and Caregivers

Your child may be interested in taking part in our Orienteering programme which provides a good introduction to the sport of Orienteering.

This year due to the current red-light system introduced by the government, the AKSS Sprint series has been cancelled as numbers would exceed the maximum allowed. So, behind the scenes, our coach has been working hard to ensure that we are able to run our very own orienteering programme over four weeks; three being on our school site and with, possibly, the fourth being held off site at a local park (TBC). The programme will include a variety of training activities and race type event.

Everyone is welcome to register for this event as you are not required to be vaccinated.

Please register online using the Sport Registration form on the Pinehurst School website <https://www.pinehurst.school.nz/co-curricular/sport-at-pinehurst/sports-registration/> no later than Wednesday 16 February.
