

29 March 2022

Kia ora koutou

I hope you're well. I've just a short update today for you. It's been a beautiful sunny day at school and it's been fabulous to see so many happy children around the place. And especially great to see the Year 10 Combined Science class hard at work at 8.00 am this morning!

We have had just one new case in the last 24 hours. A Year 7 student tested positive this morning. She was last at school on Friday, and so will not have been infectious in school. She has mild symptoms, and has no siblings at our school. I'd like again to thank her parents for their cautious approach yesterday, which meant that she didn't come to school when she was feeling just a little unwell.

This morning, we tested a small number of returning students: all of their tests were negative. At the moment, we will just be testing returning students and staff tomorrow.

Have a lovely evening!

Alex
